General Report

All of the committees are moving forward with their tasks. The merch/graphics chair had to step down for personal reasons. They are still going to meet as a committee, but a new chair is needed. The programming committee is looking for speaker recordings, if you could please announce it at your home groups. There is a flyer on the website with instructions. The fundraising committee is moving the field day event to July. A scheduling issue set it back. More information will be sent out to the fellowship when the new day and time are figured out.
